*~We Are Not Alone!*

*Angels came and knocked at your door Wednesday, August 18, 2004,  
Leaving the employees at isola unable to take the news anymore.*

*We ask the Lord to meet a special need,  
It seemed as if His Ear was deaf, no matter how we plead.*

*For every trial and every care, he gives us all the grace,  
And every storm has a calm that shows his loving face.*

*Frank, we miss you, but we won't cry, some may even ask why  
Well, We know who sits upon the throne, therefore knowing, We are not alone.*

*We say to the family, weeping may endure for a night, but Joy will come  
In the morning, The streets are gold, our hand he'll hold, We are not alone.*

*Yes, troubles and death they often abound, Be strong in the Lord for  
Frank's New Birth, Not here on Earth, For we are not alone.*

*We say to Toteka, we say to Frank Jr., We loved your Father, God loved him best,  
But now he is surely at Rest! Just remeber, We are not alone.*
