ON THE OTHER SIDE OF DEATH

Death is a gateway we all must travel through to reach that fair land where souls are born anew.

Where man born to die sojourns on earth.
It's a short span of years beginning with birth. . .
And like pilgrims, we wander until death takes our hand
And we start our journey to God's promise land.

A place where we will find no suffering nor tears,
Where time is not counted by days, months or years.
In this fair city where God has prepared are unending
joy to be happily shared with all of our loved ones
who patiently wait on death's other side to open the Gate.
