## *A Grandma's Love*

*As all my days pass me by,  
the love for you is still inside  
I think of you everyday.*

*I even hear you when I pray.*

*The anger still builds up inside, me thinking that you're  
still alive,*

*Me wondering about you every night, hoping, wishing,  
caring for you that the day you may pull through.*

*Crying, weeping, locked in my room.*

*Wondering will I see you soon. I can't eat, I can't sleep,  
I daydream when the next day we will meet. Grandma I  
see you in my thoughts. I feel your warm presence in my  
heart. Knowing God had called you home. We all know  
you're not alone.*
