Say, Cousin, Have You Got A Match?

Through the good efforts of Gloria Blackwell we have a Newsletter full of charts! Gloria typed seven of the nine charts in this Newsletter and she has typed more which we will publish in the future. You will note two of the charts are from an out-of-state member. Hopefully more of our "distant cousins" will send in their chart so we can get a look at some material we do not readily have available in our neighborhood.

Please take a good look at all of these charts. Note any lines you share in common. Also, note family names in the same generation, they may be brothers or sisters of one of your ancestors. If you find you share an ancestor, or if you think you may share a line, please call or write the person who compiled the chart and share whatever material you may have. And don't forget the compiler probably has more material they couldn't fit on the chart. Their address and phone number will be in your previous directory issue of the Newsletter.

If you have not submitted your chart, please do so. We all like to glean through charts especially if we have a possibility of picking up a name or two that may expand our charts. So don't be shy about writing or calling. Happy hunting. I hope you find a match!

THINKING ABOUT BAD TIMES

You are not the type to fiddle when you know the winter is coming. But, on the other hand, maybe you have been. See the back page for a few thoughts on bad times.

CHART NO. 1

NAME Annette J. Stewart
401 Tuxedo Drive
Thomasville, Ga. 31792
(912) 226-7288
