Information needed on Persons Born in Fairfield County or lived in Fairfield County

(A)

1. Martha Pearson -

Possibly ^{or} mulatto

Definitely white + Indian

- She was a slave on the farm of George Butler Pearson.
- Are there any records of Indians on plantations in S.C.?
- Are there any farm, agriculture or slave records for the Pearson plantation?

Martha Pearson married a black man. They stayed on the farm after the end of slavery. Her husband died leaving about five children. Lela Pearson possibly the youngest. She moved to Newberry County about 1875 → or later. Reported to have lived in Pawkins S.C. She was allowed to attend church and move about freely.

(B)

Born in Fairfield County

Tom or Thomas Thompson

Born Jan 1845. on the means plantation. Had younger brothers - Ben and Jim.

The Will of Thomas I means carried all their names but the will was dated 3/4/18/47

Ben & Tom were not born at that time. Are there any other records?

On the Thomas I means plantation? These brothers changed their name to Thompson and moved to Newberry County.
