Message Board Post:

I am trying to find some more relatives on the perry side of my family. I am specifically looking for the parents of robert perry. Robert perry was born around 1852 and married to Eliza Jane mccullough. i have had great success in finding the family of Eliza but not Robert. So far all I know about him is that he has a brother named jackson and a sister named rosanna (rosa). they all lived in chester. if you have any information that could aid me in my search for robert perry's parents i would greatly appreciate it.
