Hello Barbara,

Your request is now number #2 of the 7 remaining request.

Thanks for your patience with us.

Apparently good news, the word must be out about us (see FYI below).  
However, we are still supplied by a volunteer staff.

As FYI: we were getting on average about 3 request per month, this past year our average was 20 request per month;

our walk-in visitors is up from January 2014, 110, to an average of 139 walk-ins per month in 2014, 226 last month;

out of state visitors is up from January 2014, 2, to an average of 14 out of state visitors per month, 16 last month, recently 12 in one day.

We would love to provide our services at no cost and hope to one day be able to provide this service.

However, at this time we are totally supported by volunteers and donations.

On our membership application you will see we provide a multiple of research tools and supplies for researchers.

We are a 501-C3 society and all donations are tax deductible.

Normally, we encourage researchers to become members of our chapter (see website).

Members receive free priority research and free paper copies for their membership year.

For non-members, we normally charge \$15 per request (3 hours) and \$.10 per copies.

For our records would you please share any information you have updated on your family lines.

The information will be filed and made available in our family files.

This will aide to expedite future request for research and assist walk-in researchers.

Please let us know if you need any further assistance and feel free to call us to check the status of your request.

Per your site there is a nominal fee for simple research. I also understand there is a waiting list. How long is the wait right now? the DAR.

What I need is proof of an ancestor's maiden name. I came across this on the internet and was wondering if you could locate it and let me know what information it might contain, whether or not it is my ancestor.

**Attachments:** Family Tree for Fairfield.pdf

I thought it would be better to just attach a portion of the family tree as I have it. The first individual is my great great grandfather. He is the son of Rachel Crenshaw Perry and Joshua Perry Jr. We are trying to join the DAR through Rachel and although we have him on a census with her in 1860 and buried in the same cemetery, they want further proof that she was a Crenshaw before marrying Perry. That can be difficult to prove. So that is what we need anything documenting that relationship. She married Perry in SC about 1840 to 1850. They migrated to Florida in 1850 by covered wagon. He was ordained in SC in 1855, he must have returned for this since they were living in Florida. He was an itinerate pioneer preacher in Florida, establishing 10 churches. He is listed in the Baptist Biographies of the Alachua Association, as was his brother listed below him. I believe the Baptist association in that area at the time was called Moriah. The tree is attached.

### JOSHUA PERRY

Joshua Perry (1829-1893) of the Sardis Church in Alachua Association died in 1893. He was a pioneer preacher in many of the destitute localities of our territory, having organized and built up several churches in the years when the field was large and the laborers few. Perry was born in Lancaster County, South Carolina, on January 7, 1829. He was baptized in that County in 1844, and ordained in 1855.

Perry served as pastor of Mt. Zion, Oak Grove, Pine Level, Pleasant Plains, Sardis, and Hopewell Churches in the Alachua Association.

Secondary Source: Alachua Baptist Association Minutes, 1893,  
p. 18; 1873, p. 7. Florida Baptist Convention Annual, 1894, p. 40.  
[back](#)

### R. M. PERRY

R. M. Perry served as pastor of Antiock Baptist Church in Alachua County in 1856.

In 1867 Perry preached the introductory sermon at the Alachua Baptist Association meeting at New Providence Church in Marion County. He was serving as pastor of New Hope and Ocala at that time.

Secondary Source: Alachua Baptist Association Minutes, 1856, p. 14; 1867, p. 8.

There are many siblings. Would it help if I provide those as well?

Barbara

We have searched our files and were unable to find anything on the Rachel's maiden name. We searched our Perry and Crenshaw files, but found nothing that would help you.

Sorry, not my ancestor. It was a long shot, my Rachel was a Crenshaw who married a Perry. Thanks anyway.

Barbara

This info is in the probate of the estate of Isaac Perry and indicates that his daughter Rachel married John G. Stewart.

Before we can see if she is your ancestor we need to see you lineage.

Per your site there is a nominal fee for simple research. I also understand there is a waiting list. How long is the wait right now? the DAR.

What I need is proof of an ancestor's maiden name. I came across this on the internet and was wondering if you could locate it and let me know what information it might contain, whether or not it is my ancestor.

Rachel Perry

Fairfield County Marriages 1775-1879, Implied in Fairfield County South Carolina Probate Records regarding Rachel Perry (born 1826)

Thank you
