There were four doctors of the Pickett family who moved to Worth County from Webster Co.

Dr. Jesse Havis Pickett, the oldest of them and the half uncle of the other three, came in 1881 and settled in Ty Ty, GA. He lived there until his death in 1903. Ty Ty was not cut off into Tift County until after his death. So he was a citizen of Worth County all those years.

Jeptha B. (called Jack) Pickett was the next to come to Worth County. He located at Sumner in 1885. Sumner was the metropolis of Worth County at the time.

Dr. Reuben R. Pickett was the third in the order to come to Worth County. He came in 1892 and located at Sumner and was associated with his brother, Dr. Jack Pickett in the practice of medicine until the latter moved to Springfield, LA.

The last and youngest of these brothers was Dr. Frank Brown Pickett. He came in 1897 and located in Ty Ty, GA. He is the only one now living in this year of 1934.

The geneology of the Picketts show them to be descended from John Pickett, a Revolutionary Soldier mentioned in Archives of Historical Commission at Columbia, SC. Several of his grandsons moved from SC to Stewart, Webster and Sumter Counties, GA. This family of Picketts has given distinguished service in all American Wars. These doctors of Worth County are closely related to Major General George Edward Pickett, who made the famous charge at Gettysburg. They are descended from Edward Mobley and son, Samuel Mobley, of upper SC and Andrew Feaster, all of whom were Revolutionary soldiers.

Dr. Reuben Roy Pickett

Dr. Reuben Roy Pickett was born in Webster Co., GA, March 29, 1868. He graduated from the University of GA Medical College in Augusta in 1892. He as a Democrat, a Mason and a member of the Missionary Baptist Church.
