

William "The Joyner" POOLE, Sr. was born about 1703 in Prince George County, VA. He signed a will about 1772 in Mecklenburg County, VA. William's will, dated 1772, was recorded November 10, 1777 in Mecklenburg County (Will Book I, page 241). He died before Nov 1777 in Mecklenburg County, VA. Lewis Parham, Reuben Morgan, and James Taylor recorded the inventory and appraisal of the estate of William Poole on March 8, 1779. The value of the estate was listed as 338 pounds, 15 shillings, and 6 pence (Will Book I, page 289). William was both a carpenter and a 'joyner'. Early, there was a difference between the two. Carpenters generally did the rough construction of a building: the framing, flooring, and roofing. The 'joyners' made the window sashes, paneling or wainscoting, the window and door moldings, and finished the stairs. The Pool(e) and the Pettipool(e) families both lived in the same vicinity. By 1811, it appears that there were only members of the Pettipool(e)'s remaining, the Pool(e) families had all migrated elsewhere.

1720 - The area where William Poole, "Joyner," lived became Brunswick County, it was previously part of Prince George County. It remained unorganized until 1732.

1732 - On May 2, 1732 the first court of Brunswick County was held.

1733 - The January 4, 1733/4 Court records show that William was paid for building the County Clerk's office in Brunswick County, Virginia. William also won a lawsuit against John Wall the administrator of Thomas Goldwyn's estate for 1 pound, 15 shillings, 5 pence, in 1733, Brunswick County, VA. St Andrew's Parish: James Fletcher wills (1733); Wm. Poole, Elizabeth Tapley and Lucy Duke are witnesses.

1734 - William was paid by St. Andrew's Parish vestry for making window shutters and two outside doors for the church that he had completed in 1732.

1735 - William was a member of the Grand Jury on November 6, 1735 when they returned an indictment against Amy Mitchel for having a bastard child.

1736 - On March 2, 1736 William was a witness to the sale of 376 acres on the north side of Great Creek by John Evans and his wife, Elizabeth, of Brunswick County. The land was sold to William Browne Jr. of Surry County. The other witnesses were: Edward Cleaton and Hosea Tapley (Brunswick County, VA Deed Book 1, page 259).

1737 - William Pool, "Joyner", sold George Mabry 400 acres on the south side of the Nottaway River. William's wife, Elizabeth, was mentioned in the transaction. The deed was witnessed by H(inchia) Mabry, Jr., G. Mabry (most likely George Mabry, Jr.), and William Gilliam Jr. (Brunswick County, VA Deed Book 3, pages 430-433).

Flatt Creek is in the southern part of the county, south west of present day South Hill, Virginia near the North Carolina border. This probably indicates that his first wife, Elizabeth Tapley, had died, and William had married as his second wife, Elizabeth Watson, daughter of John Watson. Witnesses to the sale were: Lewis Parham, Michael Wall, and John Ballard (Brunswick County, VA Deed Book 1, page 430).

1795 - On July 17, 1795, Walter Pool, Adam Pool, and Jonathon Harrison were sworn as constables for Camden District, Fairfield County.

1798 - Walter was listed as a purchaser at an estate sale in Camden District, Fairfield County on April 20, 1798.

1798 - On August 30, 1798, Walter sold 118 of the 925 acres he owned adjacent to Rock Creek in Camden District, Fairfield County to George Boatner for eleven pounds, thirteen shillings and four pence sterling.

1799 - Walter is on the July 17, 1799 list of petit jurors in Camden District, Fairfield County.

1800 - Walter, aged 45 and up, was enumerated in Fairfield District with three males, aged 0-9; one female, aged 0-9 and one female (probably his wife, "Percilla") aged 26-45.

1801 - On January 31 Walter Poole, cooper (a cooper was a barrel maker), sold 60 acres of the Rock Creek land to William Woodard for thirty dollars. His second wife, "Percilla", signed release of dower in the document.

1810 - Walter, aged 45 and up, was enumerated in Fairfield District with two males, aged 0-9; 1 male, aged 10-15; two males, aged 16-25; two females aged 0-9; one female, aged 10-15 (His wife, "Percilla", evidently died before the 1810 census). Walter, Adam, and William (aged 26-44, with a wife in the same age bracket) lived adjacent to each other in the Fairfield District census.

1820 - Walter, aged 45 and up, was enumerated in Walton County, Georgia with one male, aged 16-18; one male aged 16-26 and two females, aged 10-16. The male in the 16-18 age group is repeated in the 16-26 age group; this means there was only one male, aged 16-26. This is most likely Robert T. Poole whose name first appears in the 1830 census. Robert is living seven enumerations from Walter in the 1830 census and he was between 20 and 30 years of age. The females listed are most likely Mourning and Priscilla Poole, daughters of Walter Poole.

1825 - The March 1, 1825 issue of The Georgia Journal reported that 50 acres of land, the south part of lot number 337, in the 9th District (originally Henry County now Newton County, Georgia), levied on as the property of Joseph Dorsey, to satisfy a fine in favor of Walter Pool.

Walter and his wife, Lucy, sold 440 acres in Mecklenburg County in 1780. Lucy died before 1790. Lucy probably died before 1790 as there were no females listed in Walter's household in the 1790 census. Walter "Cooper" POOLE RS and Lucy had the following children:

+38 i. William POOLE.

+39 ii. Corporal Adam POOL.

+40 iii. Walter POOLE, Jr.

+43 ii. Hardy Keele POOLE.

+44 iii. Robert T. POOLE.

+45 iv. Morning POOLE.

46 v. Priscilla POOLE was born before 1810 in Fairfield County, SC. According to the 1850 census, Priscilla was born in Georgia about 1810. Since Walter was in Fairfield County, South Carolina in 1810, it is doubtful that Priscilla was born in Georgia. Since Walter's wife, Priscilla, was not listed in the 1810 census, it is probable that she died giving birth to Priscilla in South Carolina.

1850 - Priscilla, age 40, is enumerated as head of household in Newton County, Georgia. Laretta, age 15, is the only other person in the household.

44. Robert T. POOLE was born about 1803 in Fairfield County, SC. Robert was probably born in Fairfield District, South Carolina since Walter was enumerated there in the 1790, 1800, and 1810 censuses. He died about 1842 in Macon County, GA. The link between Robert T. Poole and his suspected father, Walter Poole is based on circumstantial evidence. Walter was enumerated in Walton County, Georgia in the 1820 Federal Census with a male in the household between 16 and 26 years of age. Walter is living in Newton County in the 1830 census and the male who was in the household in the 1820 census is no longer there. Robert T. first appears in the 1830 census, living close to Walter, and his age, between 20 and 30, in 1830 matches the 16 to 26 year old who was with Walter in 1820.

1830 - Robert T. Pool, aged 20-30; his wife, Jemima, aged 15-20 were enumerated in Newton County, Georgia. The family was located 7 enumerations away from Walter Pool.

1835 - Robert T. Pool purchased Lot #115, 20th District, Stewart County, Georgia from Hardy K. Pool as administrator of Walter Pool's estate. Recorded in Newton County, Georgia, Ordinary Court, Book 6, page 457 in June 1835. This was the land that Walter drew for his Revolutionary War service in 1827.

1838 - Robert T. Pool was in Macon County, Georgia in the 1840 census; since he is not listed in the 1838 Tax Digest of Macon County, Georgia he was probably still in Newton County.

1840 - Robert T. Pool, aged 30-40; his wife Jemima, aged 20-30; one male, aged 0-5, two males, aged 5-10 and one female, aged 0-5 were enumerated in Macon County, Georgia in District 814, Garden Valley area. The names and ages of the children are probably: Hardy K., aged 2; Lauretta, aged 5; William T., aged 7 and William Ryley, aged 9.

1842/49 - Suspect Robert may have died between 1842 and 1849. Robert's wife, Jemima, is listed as a widow in the 1850 census of Randolph County, Georgia and none of her children are living with her. Children, whose ages coincide with Jemima and Robert's children, start to appear in the January 1842 poor school funding list for Newton County . It appears that Jemima may have moved back to Newton County. Later, the children are shown as living with Miss Priscilla Poole daughter of Walter Poole. Since Robert T. is not listed in the 1850 Mortality Schedule, probably died between January 1842 and June 1849. He was married to Jemima MCGRAW on 27 Apr 1830 in Newton County, GA. Jemima MCGRAW was born about 1813 in SC. 1850- Jemima, aged 45, a widow, born South Carolina was enumerated living alone in a boarding house in Randolph County, Georgia.

1860- Jemima, aged 52, born South Carolina, occupation farming was enumerated in Randolph County, Georgia. Her neighbor, Thomas Mitchell, was enumerated with William Poole, age 36, born South Carolina and his family.

1870- Jemima Boothe, age 57, born Georgia is enumerated in the household of William Ryley Poole in Miller County, Georgia. Suspect she is Jemima McGraw Poole and that she either remarried or the census taker wrote her surname incorrectly. Robert T. POOLE and Jemima MCGRAW had the following children:

+147 i. William Ryley POOLE C.S.A..

148 ii. William T. POOLE was born about 1833 in Newton County, GA. 1846 - William T. and Lauretta are in the October 29, 1846 poor school funding list of the 463rd District of Newton County, Georgia. 1847 - William T., aged 14, and Lauretta, aged 11, are in the September 28, 1847 poor school funding list of the 463rd District. 1848 - William T., aged 15; Lauretta, aged 12, and Hardy, aged 9, are in the 463rd District poor school funding list dated, October 2, 1848.

The two children are probably Lauretta and Hardy. However, the 1851 poor school list also shows a James Pool. James not been linked to any family in the Newton County area. James O. Pool also appears later in the November 3, 1858 poor school funding list of the 463rd District. In has 1857 - Miss Priscilla Pool is shown in the poor school funding list of Wyatt District as having 2 eligible children. Again, these are most likely Lauretta Hardy.

150 iv. Hardy K. POOLE was born about 1838 in Newton County, GA. 1847 - Hardy, aged 8; William T., aged 14 and Laretta, aged 11 are in the 463rd District, September 28, 1847 poor school funding list of Newton County, Georgia. 1848 - Hardy, aged 9; William T., aged 15 and Laretta, aged 12 are in the poor school funding list of the 463rd District dated, October 2, 1848. 1849 - Hardy, aged 9, is in September 11, 1849 poor school funding list of the 463rd District. 1850 - Hardy, aged 10, is enumerated with Isaac Frazier in the 1850 census. 1851 - Hardy is in the September 22, 1851 poor school funding list of the 463rd District. 1852 - The September 1852 poor school funding list of the 463rd District shows Priscilla Pool's child, Hardy K. Pool also appears later in the November 3, 1858 poor school funding list of the 463rd District. 1857 - Miss Priscilla Pool is shown in the poor school funding list of Wyatt District as having 2 eligible children. Again, these are most likely Hardy and Laretta.
