(Leonardo Andrea)

In Andrea's comments, he states that John Glazier's will names son-in-law John Free, and he wondered if Mary Glazier was his wife; however, Elizabeth E. Glazier was the wife of Arthur Yarborough in the Bible but she had died before the will was made and Yarborough may have died and she may have wed John Free. Also, Robert Rabb is named as son-in-law in the will and he may have been husband to Mary Glazier.
