7 Note: In Andreas Comments, he states that John Glazier's
 8 will names son-in-law JOHN FREE, and he wondered if Mary Glazier was his wife.
 9 However Elizabeth E. Glazier was the wife of Arthur Yarborough in the Bible but she
 10 died before the will was made and Yarborough may have died and she may have wed
 11 John Free. Also, Robert Rabb is named son-in-law in the will and he may have been
 husband to Mary Glazier.
