Dear ones,

Please forgive my tardiness in getting the copy of this article to you. My address information disappeared during a visit from one of my husband's relatives. I kept thinking that it would turn up, but to date it has not. My mother passed away on December 6th and this also caused a delay. I contacted Holly Lumpkin and she very kindly sent me the addresses from her copy.

If you have e-mail addresses, please let me know. There are several family members who have some very interesting information on the Colonel. I plan to put some of what I have here in a form that can be sent by e-mail to any and all who would like to have it. Jim Rion sent me some of what he has and you will find it most interesting.

What a pleasure it was to see all of you at the presentation in Winnsboro. It was most kind of Mr. Hartman to place such importance on our ancestor. I look forward to seeing you again in the near future.

Fondly,
