

Debra A. Roberts, Director

Dear John Roberts,

I have exciting news for you and fellow Roberts! As you may already know, extensive work has been done throughout the world on a project relating to our Roberts family name. Now our new book, "THE WORLD BOOK OF ROBERTS," is about to be published and it includes individual Roberts who immigrated to the New World between the 16th and early 20th centuries.

The first Roberts we found came to Maine in 1616. His name was Thomas. Like thousands of others, he sought a better life for himself in this land of opportunity.

Thomas, or any of the other Roberts who are documented in this new book, may be the sole reason you and I live here today. This hard-to-find Roberts immigration information was obtained from reference books indexing ships' passenger lists, genealogical registers and other official records. In addition to information about Thomas and these other early Roberts settlers, you'll also be provided with an international directory of virtually every Roberts household (with address). You, John Roberts, are listed in this section of the book.

This has been an enormous project! There are now over 0 households bearing the Roberts name worldwide. Using a sophisticated computer network, more than 170 million records were searched in the United States, Canada, Australia, New Zealand, England, Scotland, Wales, Northern Ireland, Ireland, the Netherlands, France, Germany, Austria, Switzerland, and South Africa to provide you with this never-before-published Roberts International Registry. It has been our goal to locate as many Roberts as possible.

This unique publication also covers how family names originated and what the distinguished Roberts name means, the development of family crests with ancient symbols, as well as an artist's drawing of an early Roberts Coat of Arms dating back centuries that is translated into everyday language. You'll even find exciting details about how you can trace your family heritage back to the Roberts homeland and learn even more about your family's origin.

To my knowledge, this remarkable collection of valuable information is available only in "THE WORLD BOOK OF ROBERTS." Each Roberts Directory is virtually handmade to order, and is illustrated in full color. Please note, however, that this Heirloom Edition is expected to be the only printing of the Roberts book, ever.

You risk nothing. Reserve your copy(s) and send no money now. Your satisfaction is guaranteed. But order right away because the number of copies printed will be determined by the number of orders received by January 26, 1994.

P.S. Remember, you risk nothing. Send no money now. Please see your ROBERTS APPROVAL ORDER FORM for details.

Sincerely,

*Debra A. Roberts i. a.*
