I have a lot of young people come up to me and they say, 'I want to be just like you when I grow up.' I tell them, 'no, you don't want to be like me, you want to be better than I am, 'cause if you're just like me, then you're number two. If I'm sheriff, then you want to be something else. Maybe you want to be attorney general.'"

In his own words on his future:

"I got a call from the Democratic Party asking me if I would run for lieutenant. governor. 'You got to be kidding me,' I said. Who knows what tomorrow will bring, but right now that hasn't even entered my mind."
