

FOREVER

I'll never forget you--how could I?
Some of my happiest times and funniest
moments have been with you.
We've talked and enjoyed so much with
each other that nothing could
ever take away those special
memories,
I'm so thankful I have them, and I'm so
thankful to you for being part of them.
You'll always be in my thoughts and
I'll always remember you with love.

Home at Last

We are all God's children—
From the morning-hour of birth.
He lets us live and laugh and love
And have our day on earth.
He guards us through the afternoon
Till sunset's rays are cast.
Then, one by one,
with gentle words.
He calls us home at last.
