Edmond b 1755-74

Remarks: With ten children born before 1790, I wondered why he was not listed on the 1790 census. Its possible he was with his father-in-law. In checking other sheets against this one, I found that the children of John (1-2-2) and the children of Robert (1-7-1) fit into this family leaving the youngest children as Edmonds. Since John and Robert are both gone - perhaps to Georgia - its possible they left the children and then returned for them - or that Edmund went to Georgia, although he is not listed in "Gone to Georgia" or on the 1820 census.
