

# CONFEDERATE ROLL

## OF TOWNSHIP NO. 12.

Mr. Editor: After having the Township No. 4 Confederate volunteer roll published in your columns, I promised to have the roll of Township 12 published also for the benefit of the scarcely one dozen survivors and many of the descendants of those 74 gallant young men of this township who gave their services to their country for four long years in that bloody struggle of the 60's. In this township to-day there are now only four survivors living: Comrades J. I. Long, J. T. Lemmon, J. R. Harvey and the writer.

## SOME CORRECTIONS

In Regard to Those Who Left for the Front During the Late Unpleasantness. 5/9/92

Mr. Editor: In last week's issue of The News and Herald there appeared a communication from Mr. J. H. Neil claiming to give the names of the men who went to the war from Township No. 4.

As his list included some forty names from Winnsboro, I presumed the town was at that time in No. 4; if so, he has (unintentionally of course) done Winnsboro an injustice.

I enclose herewith the names

of 110 men, in addition to the forty mentioned by Mr. Neil, who went to the war from the town of Winnsboro. This list is made entirely from memory, and I am satisfied there were many more that I cannot just now recall.

Mr. Neil in giving the names of those from Winnsboro omitted even members of his own command, and, strange to say, he neglected to give the name of his own colonel.
