William Robert Wynn- Jan Elizabeth Long

Feb. 22, 1975: William Robert Wynn and Jan Elizabeth Long met at a club called "Brothers and Sisters" in Pensacola, Fla. Billy was nineteen years old and I was seventeen. Believe it or not it was "love at first sight". We met that night and started dating steadily the next day (and we even mentioned marriage when we'd only known each other a few hours). We dated for 4 years- got engaged July 4, 1978 - Billy had come to Atlanta to find a job in an area that would provide opportunities for Jan to pursue a career in Interior Decorating upon graduation from university of Florida.

April 28, 1979 we got married (Billy had been staying with Charles and Carolyn, and by this time we had found an apartment in Atlanta) moved into our apartment and started living "happily ever after".

We planned to wait to have a child until we were married at least five years and until we had a house. We bought a house in November, 1983.

June 2, 1985 Christopher Dylan Wynn was born a healthy 8 pounds. He was an even tempered and loving boy and still is- and of course he is the pride and joy of our lives!
