

I had my Richard Woodward connected to Thomas
But the online trees don't have it that way.
I don't know for certain. I do know Bolling family is in Charles City Co VA with my
Westbrook family early.

The Woodward family who went to Winston Co MS was the family of James
Woodward who was m. to a Levisy Smith.
Do you know if she is sister of Mary Elizabeth Smith who m. George Woodward?
George Woodward is my line.

I ran into a descendant whose Woodward family was from Winston Co MS.
I first contacted her about William N McCammon because she had him from
Chester Co SC [I have a McCammon line too]
Then, I found out her Nancy Woodward's father was James Woodward of Fairfield
Co SC. Got anything on the following?

1 Richard Woodward II **d: 1804 in Fairfield County, South Carolina**
.. +Anne
.....**2 James Woodward** **b: 1783 in Fairfield County, South Carolina** **d: May 16, 1823**

children.
