- |                          |                      |
|--------------------------|----------------------|
| 1 Lieutenant General     | } Military Officers. |
| 1 Major                  |                      |
| 1 Captain                |                      |
| 1 Post Captain           |                      |
| 1 Master and Commander   |                      |
| 5 Lieutenants            |                      |
| 3 Lieutenants of Marines |                      |
| 1 Surgeon                |                      |
| 2 Assistant Surgeons     |                      |
| 1 Purser                 |                      |
| 15 Midshipmen            |                      |
| 1 Gunner                 |                      |
| 1 Boatswain              |                      |
| 1 Master                 |                      |
| 1 Carpenter              |                      |
| 2 Captain's Clerks.      |                      |

28 Officers.

323 Petty officers, seamen, marines, and boys, exclusive of 9 Portuguese seamen, liberated and given up to the Governor of St. Salvador, and 8 passengers, private characters, whom the Commodore did not consider prisoners of war, and permitted them to land without any restraint.

All the officers and seamen taken in the Java, were paroled by Commodore Bainbridge, and landed on the 3d of Jannary at St. Salvador, Brazil.
