My Madam

Dear Madam

Your note came to hand
yesterday. I had sent Mr
Scarf & Express to Rott
Hamilton at Midwood
House. Columbia and
shall write to you re
opening term of it
I was very much obliged
-ed to the Dr going in
the routes in office / G
and after he served
well for nearly eight
months and was almost
forced to take a honorable
discharge on account of
his health. - - - - -

None again I flatter
myself it was to stay
and he so promised
me. Since his return
from Va he has had
a very large practice
and was doing well.
He was offered a
Commission as Surgeon
of the 6th Regt and
before I knew one
word of it he had
accepted regularly
Commissioned Surgeon
He seemed so
pleased with the
appointment I did
not say any thing
knowing it was better

for he had been
often told he had
been too stout
and ought to stay
at home.
I hope he will
return after his
twenty days absence
and hope it is all
for the best
With very kindest
regards from your
family

I remain with
great respect

A. J. Price
