**GROVER PRESTON BROWN**

February 13, 1921 – October 28, 1998

Son of Albert Grover and Mary Frances Roberts Brown

This book contains marriage notices and implied marriages from the Fairfield Herald, January 13, 1866 to October 5, 1876, and The News and Herald, October 12, 1876 to February 24, 1916. Both newspapers were published in Winnsboro, South Carolina. These papers had a tri-weekly edition and a weekly edition. Because more issues of the weekly edition remain, most of the marriage notices are from the weekly edition, which was published on Wednesday. Because of missing issues there are gaps in the notices. The main gap is between 1907 and 1916. There were no issues for 1907 through 1910 and only a few for issues for 1911 through 1916.

Many of the notices appeared in two issues and the issue that contained all pertinent information is listed. There are a few notices that are listed twice because all pertinent information was not included in either notice.

This book is divided into four sections.

Section One (pages 4 to 10) has information from marriage notices from other newspapers in South Carolina from 1836 to 1865 and from 1907 to 1916.

Section Two (pages 11 to 97) are marriage notices found in newspapers published in Winnsboro.

Section Three (pages 98 to 141) has marriages implied in death notices. These death notices are from July 4, 1866 to February 24, 1916. This section was added because we know how difficult it is to find the maiden name of an ancestor. More information on these notices may be found in the Death Notice Book in the Genealogy Society Room in the Fairfield County Museum.

Section Four (pages 142 to 205) are marriages listed in Fairfield County Equity Court Records. These marriages are from 1807 to 1870. Additional information can be found in the Equity Court Records Book in the Genealogy Society Room in the Museum.

Every effort was made to copy the information exactly as it was printed in the newspapers. As a result, be sure to check any spelling that is close to the name you are researching.
