Albert Grover Brown and Mary Frances Roberts

Marriage Picture – February 1, 1906

IN MEMORY OF

GROVER PRESTON BROWN

February 13, 1921 – October 28, 1998

Son of Albert Grover and Mary Frances Roberts Brown

This book contains marriage notices and implied marriages from the Fairfield Herald, January 13, 1866 to October 5, 1876, and The News and Herald, October 12, 1876 to February 24, 1916. Both of these newspapers were published in Winnsboro, South Carolina. These papers had a tri-weekly edition and a weekly edition. Because more issues of the weekly edition remain, the vast majority of the marriage notices are from the weekly edition, which was published on Wednesday. Because of missing issues there are gaps in the notices. The main gap is between 1907 and 1916. There were no issues for 1907 through 1910 and only a few for issues for 1911 through 1916.

Many of the notices appeared in two issues and the issue that contained all pertinent information is listed. There are a few notices that are listed twice because all pertinent information was not included in either notice.

This book is divided into two sections.

Section One (pages 4 through 76) has information from marriage notices from August 1, 1866 to May 6, 1911. The information lists any name, date and location found in the notices. This book ends in 1911 because this is when South Carolina started keeping marriage certificates.

Section Two (pages 77 through 114) has marriages implied in death notices. These death notices are from July 4, 1866 to February 24, 1916. This section was added because we know how difficult it is to find the maiden name of an ancestor. Although South Carolina started keeping death certificates in 1915, this section ends in 1916. More information on these notices may be found in "Death Notices listed in the Fairfield Herald and The News and Herald Book". This book has about 2300 death notices and includes any name, date, place of birth, place of death, cause of death, etc. found in the notice.

Every effort was made to copy the information exactly as it was printed in the newspapers. As a result be sure to check any spelling that is close to the name you are researching.

The entire notice may be seen on microfilm in the Fairfield County Library in Winnsboro, South Carolina.
