

Family Tree DNA (FTDNA) How to order a Y-DNA37 kit with a coupon

- 1) [Click Here](#)
- 2) Scroll down to second bar, labeled:
"MALE LINE TESTING - FOR GENEALOGY AND ANTHROPOLOGY".
Scroll down to "Y-DNA37".
Click the orange button labeled "Order Now".
- 3) Within the orange bar, select Male.
- 4) Remove everything/anything that is **NOT** Y-DNA37 from within the "SUMMARY" box in the upper right corner by clicking on the little "x" to the right of each item.
- 5) The Summary should say \$169 - \$20 = \$149 (discount for ordering test within project).
- 6) Below button labeled, "Proceed to checkout", click on "Do you have a coupon?".
- 7) Enter coupon code: CJS2015 and click blue button labeled "Apply".
\$22.35 will be subtracted off and the price will change to \$126.65.
If coupon is no longer accepted, let [us](#) know so we can change this web page.
- 8) Click the green "Proceed to checkout" button and follow instructions.
