

Here are some newspaper clippings that came from the Winnsboro papers in the year 1937. The information, as you can see, is a listing of deaths from approximately 20 to 30 years earlier. This is the sort of good information we can use and it was given to us by Pauline Lauderdale who found it in her family papers when she was collecting material for her book on the Lauderdale's.

## DEATHS IN OUR COUNTY SINCE YEAR OF 1902

Many Natives of Winnsboro And Fairfield Have Passed Over River Since Turn Of Century. List Below Compiled From Records Kept By Late Chas. M. Chandler.

Editors: The News & Herald—

Our good friend Chas. M. Chandler, during the latter years of his life, kept a record of most of the deaths in Town and County. Having secured that list, and thinking it might be of interest to some of your readers, I am asking you to publish it, if it does not take too much of your time and space.
