Kate Penney Howard is a nationally known DNA presenter and Genealogist. Kate has presented programs at FamilySearch.org RootsTech conferences, Eastern and Midwest Genealogical conferences and other state workshops. FCGS is delighted that Kate can come to historic Winnsboro and present a program on DNA. To know more about Kate, you can click on the (About Kate) link to view a PDF file about Kate on the FCGS website (<https://www.fairfieldgenealogysociety.org/>).

FCGS is asking that a \$10 or more donations be given by non-members.
